Note: If the intake you are enrolled in started in 2024, please [see 2024 Terms and Conditions here](#).

AcademyEX Education Limited Partnership also trades as The Mind Lab, Tech Futures Lab and Earth Futures Lab faculties. All Terms and Conditions, policies and declarations of academyEX also apply to The Mind Lab, Tech Futures Lab and Earth Futures Lab unless expressly stated otherwise.

AcademyEX is an NZQA-registered Tertiary Education Organisation under the provisions of the Education and Training Act 2020 and its subsequent amendments and approved to award a range of programmes and micro-credentials. Postgraduate students of The Mind Lab, Tech Futures Lab and Earth Futures Lab as faculties of academyEX are enrolled with academyEX.

Fees

1. Depending on the programme or course, fees charged may be one or several of (but not limited to) the following: *tuition fees, registration fee, administration fee, etc.* Confirmation of enrolment and fees will be provided in the form of an invoice.
2. For domestic students "Final Year Fees Free"¹ eligible students: As per Tertiary Education Commission regulations for Final Year Fees Free, tuition fees must be paid to academyEX in line with fee payment below. Fees paid will be refunded by the New Zealand Inland Revenue Department upon successful completion of the programme.
3. For Domestic students, invoices will be issued for tuition fees prior to the start date of the programme (or in the case of Masters, each part of the programme) with invoices itemised by course corresponding to enrolment periods outlined in withdrawal and refund scenarios in this document, unless otherwise requested.
4. For domestic students payment is due 7 days prior to the Programme or course start date, unless otherwise stated by academyEX. Alternatively, students must provide academyEX with evidence that a confirmed Studylink student loan application is in progress, or a relevant scholarship or other arrangement has been approved. In Exceptional Circumstances (as defined in the [academyEX Academic Management Policy](#)), payment (or arrangement as outlined above) must be made NO LATER than within 7 days after programme start. Enrolment requirements for a course or programme intake will not be deemed complete unless payment of all required fees has been made and receipted.
5. For international students an invoice will be issued itemised by enrolment period corresponding to enrolment periods outlined in withdrawal and refund scenarios in this document. Invoices for international students will be issued with the offer of place and fees (including a \$500 non-refundable administration fee) must be paid in full before applying to Immigration New Zealand for a Student Visa (unless otherwise agreed). Upon payment, a receipt of payment will be issued.
6. Failure to pay any invoice(s) by the due date may result in access to relevant platforms and resources being disabled. Further failure means that academyEX may start formal recovery action to recover unpaid fees. The student will then be liable for costs and expenses (including legal costs, debt collection agent fees, etc.) which may be incurred in the recovery or attempted recovery of the overdue amount. Academic results for the student will be withheld for any course or programme where fees or any other debt remains unpaid. The student will be prevented from graduating until their debt has been paid in full. The student will also be prevented from re-enrolling in further programmes or courses of study.
7. Any student who wishes to dispute the fees due must do so within one month of receiving the invoice or statement. A request to review the fees or account balance must be made within this month, in writing to the Student Enrolment and Finance Manager. At the discretion of

¹ See <https://www.feesfree.govt.nz/>

academyEX, and with just cause, this period may be extended. Once the request is received, the review will be completed within seven (7) working days. Once the review is completed, any outstanding balance is due immediately.

8. Promo codes (otherwise known as discount codes) should only be used if the user has been authorised to do so. If a promo code has been applied incorrectly or in an unauthorised manner the user will be required to pay back the discount to academyEX. When a promo code discount is validated, no other discounts may be applied. Promo codes may be unique to a single user or limited by the number of unique uses. Promo codes must not be shared or distributed beyond those authorised to receive them. Should you share the promo code it may impact on your ability (or the ability of others) to use that code. If we discover use of a promo code in a manner that is inconsistent with these Terms, we reserve the right to cancel the discount, suspend or block your Account until the applicable price has been paid, or cancel your Account completely.

Cancellation Of Programme Or Course Offering

Enrolment in a programme or course intake is conditional upon and subject to sufficient numbers of students enrolling in a particular intake. Students will normally be offered an opportunity to enrol in an alternative intake, or receive a full refund if academyEX cancels a scheduled course or programme intake.

Student Fee Protection

AcademyEX complies with [NZQA Student Fee Protection Rules](#) which protect the interests of domestic and international students. academyEX has a Static Trust Account with the NZQA-approved fee protection supplier, Public Trust, that ensures the safe protection of student fees over the value of \$500.

Transfers

1. Transfers to other intakes and / or programmes are negotiated with the relevant Programme Lead, and approved by the Academic Governance Group or delegated authority.
2. There may be additional fees required or a refund may be due where a transfer is made. Where a student loan has been used to pay fees, the refund will need to be returned to StudyLink and a new loan drawdown for the new programme. When a scholarship has been used to pay the fees, adjustments will be made in accordance with the terms of the scholarship.

Privacy Policy

Information from applicants collected to process student enrolment with academyEX may also be disclosed to Government departments as mandated by the Tertiary Education Commission for the purposes of administering NZ's tertiary education system, developing policy advice for Government and for research purposes, official statistics, or as otherwise required by law. Students have the right to access and correct their personal information that has been [collected by academyEX in accordance with the academyEX Privacy Policy](#) and the Privacy Act 2020. The Privacy Policy applies to information collected from all users of academyEX products and services, and covers the collection of personal information, storage, use and disclosure of personal information, cookies and data security, and user access to and correction of personal information.

Withdrawals and Refund Entitlements

1. The key provisions and terms for withdrawals and refunds for domestic and international enrolments from the following individual academyEX programmes are summarised in the Withdrawal Scenarios presented in this document.
 - a. [Withdrawal Scenarios and Refund Entitlements for Domestic enrolments](#)
 - b. [Withdrawal Scenarios and Refund Entitlements for International enrolments](#)
2. Students must contact the academyEX Enrolments Team for any questions. Students who wish to apply for withdrawal must make an application in writing. Verbal notice of withdrawal will not normally be accepted as a student's intention to withdraw.
3. Withdrawal is confirmed from the date the written notification is received by academyEX; the refund/fees outcomes of the withdrawal will be determined by the date the withdrawal is confirmed.
4. The key dates that relate to withdrawing from enrolment periods (Start Date, 10% Date, 75% Date, and End Date) in a programme are identified alongside the withdrawal scenarios below.
5. Any applicable Administration/Registration fee is normally included in the Tuition fee invoiced at the start of the enrolment, but is separated from the fees refund if a student withdraws before the last date for withdrawal with a refund. If a student withdraws before the last date for withdrawal for a refund, they will be liable for any applicable Administration / Registration fee. If a student has already paid fees, this Administration / Registration fee will be deducted from any refund owed to the student.
6. In case of more than four consecutive weeks of non-attendance in classes, or non-participation in required online activities associated with a programme or course, and no contact with academyEX, the student may be withdrawn on grounds of abandonment.

Exceptional Circumstances

If Exceptional Circumstances apply, a student who withdraws after the last dates for refund eligibility have passed, may be eligible for compassionate consideration. The student (or an authorised person acting on behalf of the student) must contact the Enrolments team with details for consideration. In such cases, all decisions of the General Manager are final and cannot be appealed.
