
Postgraduate Certificate in Leading Change for Good - Statement of Intent

The purpose of this Statement of Intent (SOI) is to help us assess your suitability, and likelihood of success in the Postgraduate Certificate in Connected Environments. All applicants must complete this SOI. Interviews/meetings are not a requirement for entry to this programme.

A guide to answering this SOI: This is an interactive PDF. You can download this file to your computer, then open with a Document Reader (i.e. Preview, Adobe Reader or Acrobat) and type your answers into the boxes and save the document again. Alternatively, you can print this page, handwrite your answers, then scan (or take a photo) and upload the document. Answers can be a short paragraph/statement, or approx. 3-5 bullet points per question. If you would like to discuss anything with the team, or are having difficulty completing this SOI, please contact us at support@academyex.com or call us on (09) 964 4444 and we'd be happy to chat.
